

## Interlude

Iamsu!

It's all about the bullshit, it's all about pain  
You wanna know the drumma, I ain't count it in the game  
I earned my stripes and I paid my dues  
A nigga can't walk one day in my shoes  
One day in my shoes  
Can't tell me nothing about me  
Can't tell me nothing about me  
No, no, no, no  
You can't tell me nothing about me  
Can't tell me nothing about me  
No, no, no, no  
You can't tell me nothing about me  
Can't tell me nothing about me  
No, no, no, no  
You can't tell me nothing about me  
Can't tell me nothing about me  
No, no, no, no  
No, no, no, no  
No, no, no, no  
No, no, no, no  
No, no, no, no  
No, no, no, no  
No, no, no, no  
Can't tell me nothing about me  
No, no, no, no
