

# Outtie 3000

Iamsu!

Beautiful girls chillin  
This is reality, before it was a figment  
I used to dream of this, rocking all the cleanest ish  
When I used to bring it up, it would quickly be dismissed  
Now everybody want a piece of me  
Just cause of the music I been making recently, uh  
Wasn't nobody around when I first started  
They actually turned me down but that ain't what the worst part is  
They barely know me in my home, home is where the heart is  
So I work the hardest  
Make sure my flow retarded  
I'm such a different artist  
I'm a dog, Calvin Broadus  
They tryin' to be different I've been different for the longest  
Yeah say hi to the nice guy  
Matter fact say hi to the nice life  
Often daydream live the night life  
And we can get it in just make sure the price right

I be chillin', really I be chillin'  
Feelin' so good, I don't think you know the feeling  
And I be chillin', really I be chillin'  
Feelin' so good, I don't think you know the feeling  
I be Outtie 3000, Outtie 3000, Outtie 3000  
I live in my zone, oh, oh

Apologizing to you haters, excuse me I'm sorry  
But me I'm chillin' man you rappers ain't scaring me hardly  
And when it come to competition I don't see nobody  
I'm dreaming of just beaming up, do you see me Scotty?  
I'm a fighter, I'm a soldier  
I'll never give up even when it's over  
When pressure hits, most people lose they composure  
I stay cool, matter fact I might get colder  
You been in it for a minute but I'm Yoda  
You diminish, I replenish step ya flows up  
Polo linen and T denim step ya clothes up  
Balloon treatment from pretty women we get blowed up  
Got the key to the lock like the janitor  
I spit that white girl, Lindsay Lo, Pamela  
I been chillin' like Walt Disney's brain  
If it ain't money then you know you could miss me, mayne

I be chillin', really I be chillin'  
Feelin' so good, I don't think you know the feeling  
And I be chillin', really I be chillin'  
Feelin' so good, I don't think you know the feeling  
I be Outtie 3000, Outtie 3000, Outtie 3000  
I live in my zone, oh, oh
