Post Up

Iamsu!

I make the city look good, how I'm 'post to
My bitch look good, how she's 'post to
And I don't really dance, I just post up
Gang with me nigga, everybody know us
Henny in my cup, I'm getting activated
Pull up to the party, girl, I'm glad you made it
Open up the top, it's getting hot outside
Ya da da da da da da

I make the city look good, how I'm 'post to (how I'm 'post to)
My bitch look good, how she's 'post to (how she's 'post to)
And I don't really dance, I just post up
Gang with me nigga, everybody know us (gang)

When I bounce out, I'ma leave my shit running
Tell the DJ play my whole song, don't cut it
Whole pointers on my neck, VS1 flooded (bling)
Hopped off the Everyday Struggle, Joe Budden
I hopped in my everyday bag, don't worry
20k a night for 60 days, that's money
Niggas want the lifestyle but they can't fund it
10 times 10, I'ma keep it one hunnid

I make the city look good, how I'm 'post to
My bitch look good, how she's 'post to
And I don't really dance, I just post up
Gang with me nigga, everybody know us
Henny in my cup, I'm getting activated
Pull up to the party, girl, I'm glad you made it
Open up the top, it's getting hot outside
Ya da da da da da da

Yeah, alright, look
10 times 10, I'ma keep it one hunnid (keep it one hunnid)
Look into my eyes, you can see how I'm coming (see how I'm coming)
Get the money, call finna run her mouth for it (she gon' run her mouth for i
t)
In the rap game, fast lane, Jeff Gordon
Let 'em throw shade, you can tell I don't worry (tell I don't worry)
Made her upgrade 'cause her ex style corny (ex style corny)
She just wanna go out, let her shake somethin' (let her shake somethin')
Just touched down, got another plaque coming (yeah)
Got a little baby, she do anything for me (what else?)
From the bottom to the top, she a real road runner (what else?)
Flow too hot, finna be a cold summer (hot)
So cold nigga, I'm a stone cold stunner (burr)
How I'm pulling up

I make the city look good, how I'm 'post to
My bitch look good, how she's 'post to
And I don't really dance, I just post up
Gang with me nigga, everybody know us
Henny in my cup, I'm getting activated
Pull up to the party, girl, I'm glad you made it
Open up the top, it's getting hot outside
Ya da da da da da da

Same squad with me like they 'post to (like they 'post to)
I done really made killing out of Pro Tools (well let's get it)
You got a lot of game, I could coach you (I could coach you)
Girl, you up, get you paid, just the hoes too (just the hoes too)
I want you, I want your friend, I want your hoe (I want your hoe)
Come back a nigga down like a post move (woah)
I done fucked around and got my cash up (got my cash up)
Humble nigga, I don't brag much (I don't brag much)
Baby, I'm a star, I do start shit (I do star shit)
Make your girl open up like a mosh-pit (open up)
In the game, bet I ball, bet you forfeit (swish)
Young nigga still thugging but I'm corporate (well let's get it)

I make the city look good, how I'm 'post to
My bitch look good, how she's 'post to
And I don't really dance, I just post up
Gang with me nigga, everybody know us
Henny in my cup, I'm getting activated
Pull up to the party, girl, I'm glad you made it
Open up the top, it's getting hot outside
Ya da da da da da da
