

Shinin

lamsu!

Last night I was just fucking, yeah
I think I lost 100 bucks, yeah
I'm from the rich where youngings ride the mug
Hop about that whip and check me running out
Yeah, black tints on that navi truck, yeah
Leave our cut in the midgets cuffed
They want the real shit they've had enough
I move about the hood we used to have it rough
I rep the game amongst them other things
Yeah, I sample songs that my mother sings
Floating like I got a hovercraft and pair of wings
Oh that's your girl she into sharing things apparently
She ready, I pary me some deadly
I came about the bottom hoe I mean it when I said it
Give me credit, it's deserved
The hottest in this thang and I mean every word motherfucker

I be on my grind, I'm shinin, I'm shinin
So I ain't got no time to waste,
I'm shinin, I'm shinin
Cause I just want to shine, oh shine away
I'm shinin, I'm shinin, yeah
I'm shinin, I'm shinin

I'm shinin, godfather buried alive
You won't get to the top, you can't ask for a ride
Yeah we balling out, I ain't acting surprised
Hbk gang better get it the fine
But understand how we getting it
People loosing time, just fucking around, kicking out
I ain't got time just to sit around
Yeah we moving in, it's time to get it now
Rolling through, don't know where I'm going to
Hit a box of [?] eat some bread and get some corn [?]
We can go fuck with somebitches though
But the money's what I'm more into
Fine bake jam with the balls of the chris
Gold chain on with no diamonds on my wrist
Yeah, I'm just tryina shine though, and tryian fuck
But I ain't got the time though

I be on my grind, I'm shinin, I'm shinin
So I ain't got no time to waste,
I'm shinin, I'm shinin
Cause I just want to shine, oh shine away
I'm shinin, I'm shinin, yeah
I'm shinin, I'm shinin.
