

## Soulja Walk

lamsu!

Baby I don't dance, I just Soulja Walk  
Come and let me see you do the Soulja Walk  
When I got my homies you can't hold 'em off  
Show you how to walk like a soulja (Ohhhhhh)  
Show you how to walk like a soulja (Ohhhhhh)  
Show you how to walk like a soulja

Baby I don't dance, I just Soulja Walk  
Grew up in the city where them soldiers walk  
Came from the bottom, I ain't s'posed to ball  
Top floor, brushing my shoulders off  
Riding through the street, my doors is off  
Play your CD, I'm dozing off  
I don't want to make no songs with y'all  
Too damn geeked, I don't recall  
Ohhhhhh  
Told that girl my phone was off  
Ohhhhhh  
Ima live it up like it's no tomorrow

Baby I don't dance, I just Soulja Walk  
Come and let me see you do the Soulja Walk  
When I got my homies you can't hold 'em off  
Show you how to walk like a soulja (Ohhhhhh)  
Show you how to walk like a soulja (Ohhhhhh)  
Show you how to walk like a soulja  
Show you how to walk like a soulja  
Show you how to walk like a soulja
