lamsu!

I ain't in a rush
I ain't got kids but i got sons
They now I'm the golden child I'm the cleanest one
Me n all my ball like the phoenix suns
First u get the money
Then you get the power
Tell me what my city would be like With out us
Underrated but I never cry about
Cuz I, Cuz I know

HBK the gang eyes on me the company
Label CEO tryna make another me
Sound alike is only boosting my economy
For Longevity oh the irony
Do this my young they inspire me
For my in the struggle they in dire need
My mama tell me how use platform responsibility
Do a in-store shut down the entire me street
Mhmm i know
Rolling oopz in a fronto eyes low
In LA i got a condo top floor
Lamborghini Diablo like Ralo
You was putting a good show bravo
I can't let you get between me and my goals
Ima skip over the rollie and hublot
I can't switch on my homies Im too thorough

Underrated but I never cry about
Cuz I, Cuz I know

Don't judge me
I just want you to love me
On my mind I been worried
On the grind I'm maturing on this lonely road
Had to go and lace walk some miles alone
My initial intention put my patnas on
Pain on top of pain I tell em pile it on
When I can't contain my feelings I go write a song
Social Distance Got my closer to myself
Can't cry about it I just tighten up my belt
They hurt my brother I just pray he bounce back
Gotta move smarter cuz nobody got your back like you do n*gga
And I ain't never felt cool around them new
They just envy yo position
They will never have heart big as yours
They wanna take yo spot on them songs and them tours but it'll never happen
