

# Surrender

IAMX

Checking my heart again  
It's still beating  
Grayer than winter days  
The clouds in my head

All my life  
Been changing lanes  
I'm so bored of taking my chances  
Of making mistakes

Now I need to surrender  
Oh I want to surrender

Years in a concrete box  
TV, vodka shots  
Breaking my knees on stage  
Repeat and get up again

All my life  
Been changing lanes  
I'm so bored of taking my chances  
Of making mistakes

Now I need to surrender  
Oh I want to surrender

The freaks are dying  
Where did we go Berlin?  
The freaks are dying  
Where did we go Berlin?

All my life  
Been changing lanes  
I'm so bored of taking my chances  
Of making mistakes

Now I need  
I want  
To surrender
