

Tear Garden

IAMX

I saw bright open common sense
I do evil things and evil things return
And I'm praying on, I'm praying for me

You can't hide, I remove from you
Every tiny strength in everything you do
And I'll kick you down
And break you with tender touch

And then the tears cried in the tear garden
Will be for life
And then the tears cried in the tear garden
Will be for life

In the west they have made a plague
We have built the ship and sailed it to our veins
God forbid, anything should break that chain

At our road we connected through
The biology of universal cruelty
Send me home, return me to a lonely world

And then the tears cried in the tear garden
Will be for life
And then the tears cried in the tear garden
Will be for life
