

Thanatos

IAMX

Dopamine
A diamond between the eyes, fix your inside
Moonshine
Biology will mix the cocktail of a lifetime

Do you bury your dreams in apathy?
(Apathy)
Do you bury your dreams in apathy?
(Apathy)

Vulgarity
The glory and the virtue died so long ago
Thanatos
My hope will consume your broken, cruel, immortal soul

So you bury your dreams in apathy
(Apathy)
So you bury your dreams in apathy
(Apathy)
So you bury your dreams in apathy
(Apathy)
Oh you bury your dreams in apathy
(Apathy)
