

Baddest Chick

Ian Carey

I got a question: who's the baddest girl in the club?
Let me see you raise your hands up up up
If you think you're the baddest chick, I wanna get to know you
I got a question: who's the baddest chick on the scene?
Wanna see you dancing for me
If you think you're the baddest chick, you're the baddest chick

I wanna know you, if you're the baddest girl in the club
I wanna see you raise your hands up, up up
If you're the baddest girl in the club, girl in the club
I wanna know you, if you're the baddest girl on the scene
I wanna see you dancing for me
If you're the baddest girl in the club, girl in the club

I want a bad girl, bad girl
I I I want a bad girl, bad girl
I want a, I want a bad girl, bad girl
I want a, I want a bad girl, bad girl
I want a bad girl

Chick that's nice in the face
She look so bad but she walking the place
It's good and mean in the back
Everybody looking tryin to see where we at
'Cause the whole party just, (freeze) when she walk in
Ain't say a word, but her body talkin'
So we say uhh

Now this is crazy, she's a perfect ten, she's a dime
Black premium mini dress so fine
I never thought that I'd see so many bad girls in one night
I'm tryin' to find the one girl who's badder than all the rest
But its so hard to choose I confess, if you think you the baddest chick
You're the baddest chick

I wanna get to know you, if you're the baddest girl in the club
I wanna see you raise your hands up, up up
If you're the baddest girl in the club, girl in the club
I wanna know you, if you're the baddest girl on the scene
I wanna see you dancing for me
If you're the baddest girl in the club, girl in the club

I want a bad girl, bad girl
I I I want a bad girl, bad girl
I want a, I want a bad girl, bad girl
I want a, I want a bad girl, bad girl
I want a bad girl
