

# Cacka Boom

Ian Dury

If you're cold, well here's a plan  
Pull the plug out of your fan  
If you're hot, now here's a scheme  
Park your botty in the stream  
If you're tired, check this plot  
Seek a source that hits the spot  
If you're snooty, here's a ploy  
Stroll along the hoi polloi  
(Cacka Boom)

You'll not have owt to show for it  
If you don't go for it (Cacka Boom)  
You'll have to come to terms with it,  
Get on the firm with it (Cacka Boom)  
If you don't get to grips with it,  
You've had your chips with it (Cacka Boom)  
You'll only come to rue it if you don't do it

If you're lost, well try this notion  
Find yourself a magic potion (Cacka Boom)  
If you're angry, check this wheeze  
Count to ten and then say "cheese" (Cacka Boom)  
If you're uptight here's the answer  
Learn to be a belly dancer (Cacka Boom)  
If you're cornered, suss a wangle  
Try it from a different angle  
(Cacka Boom)

Now you can put a name to it  
You must lay claim to it (Cacka Boom)  
You'll have time to regret it  
If you don't go and get it (Cacka Boom)  
You won't have much to talk about  
If you don't go on walkabout (Cacka Boom)  
Don't think you won't mind it  
If you don't try and find it

No one said you must be good as gold  
It's what you haven't done  
That matters when you're old  
No one said these things are pre-ordained  
Nothing ventured...

If you're guilty, cop a stroke  
You only did it for a joke  
If you're dozy, here's a tactic  
Tell 'em all they're too didactic  
If you're fed up, here's a wrinkle  
Let your pianoforte tinkle  
If you're wobbling here's a trick  
Happy go toilet, click, click, click

Now you can put a name to it  
You must lay claim to it (Cacka Boom)  
You'll have time to regret it  
If you don't go and get it (Cacka Boom)  
You won't have much to talk about

If you don't go on walkabout (Cacka Boom)  
Don't think you won't mind it  
If you don't try and find it (Cacka Boom)

(Cacka Boom), (Cacka Boom), (Cacka Boom)  
(Cacka Boom), (Cacka Boom), (Cacka Boom)  
(Cacka Boom), (Cacka Boom), (Cacka Boom)  
(Cacka Boom), (Cacka Boom), (Cacka Boom)  
(Cacka Boom), (Cacka Boom), (Cacka Boom)  
(Cacka Boom), (Cacka Boom), (Cacka Boom)  
(Cacka Boom), (Cacka Boom), (Cacka Boom)  
(Cacka Boom), (Cacka Boom), (Cacka Boom)  
(Cacka Boom), (Cacka Boom), (Cacka Boom)  
(Cacka Boom), (Cacka Boom), (Cacka Boom)  
(Cacka Boom), (Cacka Boom), (Cacka Boom)

Ow!
