Demon's Eye

Ian Gillan

I don't mind just what you say. I never heard you, baby, never heard you anyway. I don't mind just what you say. I never heard you, baby, never heard you anyway. I don't care what you do just so long as it ain't me and you. Sly, sly, sly like a demon's eye. Everything's good, I said, everything's fine. You don't know, don't know it's the end of your time. How does it feel to be turned away? I've known it, baby, almost every day. Sly, sly, sly like a demon's eye. I don't need you anymore, I don't want you, baby, hanging round my door. You slip and slide round my brain. You think you're so clever, yeah, but you know you're insane. Sly, sly, sly like a demon's eye. I d-d-don't mind just what you say. I never heard you, baby, I never heard you anyway, no I didn't. Everything's good, everything's fine. You don't know it's the end of your time. Sly, sly, sly like the demon's eye, like the demon's eye. - Ritchie Blackmore, Ian Gillan, Roger Glover, Jon Lord & Ian Paice
