I saw her in the gloom As she moved across the room The animal was burning in her eye She took him by the hand But he didn't understand her He wouldn't be the one to satisfy Got to wait no mistake I've got to take my chance Be there beware The secret of the dance I moved a little closer So maybe i could show her The way i felt the way i knew It was more than a game I was getting loaded So i touched her and exploded That was it i knew my life Would never be the same It's too late i can't escape I went and blew my chance And so i'll never know The secret of the dance. As she dances Feel her power Notice how her Thighs entrance And draw you to The secret of the dance
