

# I Hate Hate

Ian Hunter

Point-blank avenue  
WrestleMania four  
Well, this don't seem like  
An official guided tour  
And you can read all about it  
In the petty dreadful press  
Yeah, read all about it  
'Cause that's what you get when you settle for less

I hate, hate  
It messes with my mind  
I hate, hate  
Especially when it's blind

You can print it on the posters  
You can print it on the shirts  
You can wear it at the stadium  
Work and church, yeah

I hate, hate  
It's tearing us apart  
Oh, I hate, hate  
From the bottom of my heart

Yeah, I hate, hate, it's spreading like an epidemic  
Ain't no jabs, no one is immune  
I hate, hate, it's all about the money  
I hate, hate and hate is in bloom

You can pick on any color  
You can pick on any race  
I hate, hate, yeah  
I hate, hate, 'cause hate's out of date

I hate, hate  
It's enemy number one  
Yeah, I hate, hate  
Will we ever overcome it?  
I said, "I hate, hate"  
I hate, hate  
I hate, hate

Wouldn't it be great if we ran out of hate?  
Wouldn't it be great if we ran out of hate?  
Wouldn't it be great if we ran out of hate?  
Wouldn't it be great if we ran out of hate?

Ooh, yeah
