

# Laugh at Me

Ian Hunter

Bono

How can I be like any guy?

Why do they have to make me run?

What do they care about the clothes I wear?

What do they get from making fun?

We got a lot of space

So if you don't like my face

It ain't me who's going anywhere.

'Cause I don't care, let 'em laugh at me

If that's so fair, I don't have to care

To be free until they laugh at me.

And I'll cry for you

And I'll pray for you

And I'll do everything that the man upstairs said to do

I'll do it all for you, babe, oh.

It's got to be sometime

It's got to be somewhere

I'm gonna make that achievement

Oh, maybe the next time

That you don't wear a silk tie

I can walk by and say hi

Say hi instead of why

Instead of why, babe

Instead of why

Instead of why, babe

Instead of why

Instead of why, babe

Instead of why

Instead of why, babe

Instead of why

What did I do, what did I say?

What did I do, what did I say?

What did I do, what did I say?

What did I do, what did I say?

What did I do, what did I say?
