

Saint

Ian Hunter

I got one leg 'n' a tin
I got one leg 'n' a tin
I got one leg 'n' a tin
Lords 'n' the ladies
Sittin' on a hillside
Makin' their bets on who is gonna win

I'd be with Jesse 'n' Frank
I'd be with Jesse 'n' Frank
I'd be with Jesse 'n' Frank
But there ain't no way no one-legged hero
Could help 'em rob a bank

I ain't no saint, no
I ain't no saint, no
I ain't no saint, no
That would never do

I ain't no saint, no
I ain't no saint, no
I ain't no saint, no
But I could never be you

I got one leg 'n' a tin
I got one leg 'n' a tin
I got one leg 'n' a tin
Horror, horror,
Can't believe the horror flashbacks
Deathtraps
Morphine kicking in

I ain't no saint, no
I ain't no saint, no
I ain't no saint, no
I ain't no hayseed

I ain't no saint, no
I ain't no saint, no
I ain't no saint, no
But you can never buy me

I got one leg 'n' a tin
I got one leg 'n' a tin
I got one leg 'n' a tin
I took one for the team
One for the dream
One for the slaves
One for freedom
Put a penny in

I ain't no saint, no
I ain't no saint, no
I ain't no saint, no
I could never be

I ain't no saint, no
I ain't no saint, no

I ain't no saint, no
But you can never buy me

I ain't no saint, no
I ain't no saint, no
I ain't no saint, no
That would never do

I ain't no saint, no
I ain't no saint, no
I ain't no saint, no
But I could never be you
