

How long are you gonna try to hide your heart?  
Girl, you pull me in close, but you only let me go so far  
I can see that diamond shinning bright, but it's buried in the coal mine dark  
How long are you gonna try to hide your heart?

Baby, I would dig down  
To the bottom of the cold ground  
Under the roots of your hometown  
Where your skeletons live  
Come on, let me show you what I'm worth  
Put these never quitting hands to work  
I ain't afraid of a little dirt  
Girl, your love's a gift  
And I ain't afraid to dig  
I ain't afraid to dig

Can you take me behind blue eyes  
And long blonde hair?  
What you dream while you cry  
Where you run when you get scared  
Every inch I dig gonna make me rich  
'Cause I know there's gold in there  
Can you take me behind blue eyes  
And long blonde hair? Baby, I swear

I would dig down  
To the bottom of the cold ground  
Under the roots of your hometown  
Where your skeletons live  
Come on, let me show you what I'm worth  
Put these never quitting hands to work  
I ain't afraid of a little dirt  
Girl, your love's a gift  
And I ain't afraid to dig

How long are you gonna try to hide your heart?  
Girl, you pull me in close, but you only let me go so far

Baby, I would dig down  
To the bottom of the cold ground  
Under the roots of your hometown  
Where your skeletons live  
Come on, let me show you what I'm worth  
Put these never quitting hands to work  
I ain't afraid of a little dirt  
Girl, your love's a gift  
And I ain't afraid to dig  
I ain't afraid to dig
