

# Mountain Time

Ian Munsick

(Ya-hi, ya-hi-i-hi)  
(Ya-hi, ya-hi-i-hi)

Four hundred horses by the reigns  
Darlin', I'm flyin' 'cross the plains  
And I'm only thinkin' 'bout one thing  
Now I got four hundred horses by the reigns

I've been missin' me some you  
Darlin', I know you miss me too  
I left them city lights in my rearview  
Yeah, but I've been missin' me some you

It don't matter where I go  
I always find my way back home  
After all, my heart belongs to you (You)  
I've been near and I've been far  
But there's nowhere like where you are  
Hey, honey, it's about time  
To settle on down in Mountain Time  
(Ya-hi, ya-hi-i-hi)  
(Ya-hi, ya-hi-i-hi)

Your love's a paintbrush in the breeze  
Pretty as all them other leaves  
Color of the sunset settin' over me  
Yeah, but your love's a paintbrush in the breeze

It don't matter where I go  
I always find my way back home  
After all, my heart belongs to you (You)  
I've been near and I've been far  
But there's nowhere like where you are  
Hey, honey, it's about time  
To settle on down in Mountain Time  
(Ya-hi, ya-hi-i-hi)  
(Ya-hi, ya-hi-i-hi)

From a ti-yi yippee-ki-yay

Your hand holdin' mine  
'Til I ride my last ride (My last ride)  
Your hand holdin' mine  
Out in Mountain Time (Mountain Time)  
Your hand holdin' mine  
'Til I ride my last ride (My last ride)  
Your hand holdin' mine  
Out in Mountain Time

It don't matter where I go  
I always find my way back home  
After all, my heart belongs to you (You)  
I've been near and I've been far  
But there's nowhere like where you are  
Hey, honey, it's about time  
To settle on down in Mountain Time  
(Ya-hi, ya-hi-i-hi)

(Ya-hi, ya-hi-i-hi)

(Hey, hey, it's about time)

To settle on down in Mountain Time

(Hey, hey, it's about time)

(Ya-hi, ya-hi-i-hi)
