

# HYPOCRITE

iann dior

(I know I'm a hypocrite)

Get out of my mind and into my bed  
I know I'm a hypocrite  
I take it all back, the things that I said  
I know I'm a hypocrite

If it ain't working, why you staying, why you stick around  
You only hear the words you want to then you twist around  
You stab me in the back again, should've dipped by now  
You got me crawling on my skin like what you tripping 'bout

Tell me what I'm holding on (to)  
I can't walk away when it's (you)  
Nothing left to talk about, one foot in the other out  
I don't think I'll ever be (through)

Get out of my mind and into my bed  
I know I'm a hypocrite  
I take it all back, the things that I said  
I know I'm a hypocrite

I can't help myself  
I'm getting in trouble every time I go out  
Get out of my mind and into my bed  
I know I'm a hypocrite

Say I'm the one that need changing  
I'ma go out with a bang bitch  
Wake up for the next day  
Get fucked, do the same thing  
Mood change like the seasons  
Could've stabbed that, so I'm leaving  
But I turned back around  
'Cause without you I'm bleeding out

Tell me what I'm holding on (to)  
I can't walk away when it's (you)  
Nothing left to talk about  
One foot in the other out  
I don't think I'll ever be (through)

Get out of my mind and into my bed  
I know I'm a hypocrite  
I take it all back, the things that I said  
I know I'm a hypocrite

I can't help myself  
I'm getting in trouble every time I go out  
Get out of my mind and into my bed  
I know I'm a hypocrite

I know I'm a hypocrite

I know I'm a hypocrite

(I know I'm a hypocrite)
