LG, don't want me, yeah
Oh-oh-oh
Yeah, yeah, yeah, yeah (Yeah)
Gang, let's go

Why you always in a mood? Fuckin' 'round, actin' brand new
I ain't tryna tell you what to do, but try to play it cool
Baby, I ain't playing by your rules
Everything look better with a view
Why you always in a mood? Fuckin' 'round, actin' brand new
I ain't tryna tell you what to do, but try to play it cool
Baby, I ain't playing by your rules
Everything look better with a view, yeah

Oh my god, girl girl
□□□□□□□□□□

Tell me how can I be your moonlight

Play games of love to avoid the depression
We been here before and I won't be your victim

Why you always in a mood? Fuckin' 'round, actin' brand new
I ain't tryna tell you what to do, but try to play it cool
Baby, I ain't playing by your rules
Everything look better with a view
Why you always in a mood? Fuckin' 'round, actin' brand new
I ain't tryna tell you what to do, but try to play it cool
Baby, I ain't playing by your rules
Everything look better with a view

So why you tryin' to fake your love on the regular
When you could be blowin' up just like my cellular?
I won't ever let a shorty go and set me up
Only thing I need to know is if you wet enough
I'm talking slick back, kick back, gang sippin' fourties
You keep playin', not another day with you, shorty
Mismatched fits, that was way before you know me
Got a lot of love, well, you better save it for me

Touch my soul every time □□□ when I lose control
Baby, I know you can touch my soul when I say love you, love you, love you

Why you always in a mood? Fuckin' 'round, actin' brand new
I ain't tryna tell you what to do, but try to play it cool
Baby, I ain't playing by your rules
Everything look better with a view
Why you always in a mood? Fuckin' 'round, actin' brand new
I ain't tryna tell you what to do, but try to play it cool
Baby, I ain't playing by your rules

Everything look better with a view, yeah
