

# Never Is Enough

iann dior

Never is enough  
Thinkin' 'bout the things I've done  
Blunt smoke in my lungs  
I get fucked up  
Go ahead and fill my cup  
'Cause I don't wanna feel your touch  
Never is enough  
Thinkin' 'bout the things I've done  
Blunt smoke in my lungs  
I get fucked up  
Go ahead and fill my cup  
'Cause I don't wanna feel your touch

Why we gotta fall out?  
I don't want to fly, all I wanna do is ball out  
Think you know it all now  
That was back then, still waiting on my call now  
Baby, I want it  
I'm addicted to lovin'  
You want me to choose, ah  
But I won't ever choose ya  
Baby, I want it  
I'm addicted to lovin'  
You want me to choose, ah  
But I won't ever choose ya

Never is enough  
Thinkin' 'bout the things I've done  
Blunt smoke in my lungs  
I get fucked up  
Go ahead and fill my cup  
'Cause I don't wanna feel your touch  
Never is enough  
Thinkin' 'bout the things I've done  
Blunt smoke in my lungs  
I get fucked up  
Go ahead and fill my cup  
'Cause I don't wanna feel your touch

Never is enough  
Thinkin' 'bout the things I've done  
Blunt smoke in my lungs  
I get fucked up  
Go ahead and fill my cup  
'Cause I don't wanna feel your touch  
Never is enough  
Thinkin' 'bout the things I've done  
Blunt smoke in my lungs  
I get fucked up  
Go ahead and fill my cup  
'Cause I don't wanna feel your touch

Never is enough  
Thinkin' 'bout the things I've done  
Blunt smoke in my lungs  
I get fucked up  
Go ahead and fill my cup

'Cause I don't wanna feel your touch  
Never is enough  
Thinkin' 'bout the things I've done  
Blunt smoke in my lungs  
I get fucked up  
Go ahead and fill my cup  
'Cause I don't wanna feel your touch

Feel my love  
Don't want your touch  
Oh, oh, oh
