

Problems

iann dior

'Cause so much time has past now
I can't get it back now
I don't wanna feel because my feelings get too real
And that's the problem that I deal with
Too much emotions, I'm feeling hopeless
But at least I'm honest
'Cause so much time has past now
I can't get it back now
I don't wanna feel because my feelings get too real
And that's the problem that I deal with
Too much emotions, I'm feeling hopeless
But at least I'm honest

Bad, you so bad baby, you know that you mine
You know you mine, I ain't gotta tell you twice
Won't tell you twice
Hop up in this ride and we'll be gone for the night
Uh, problems inside my head, I don't even wanna count 'em, now
I know life ain't fair, I just really wanna count it up
Benjamin's on my mind, tellin' me to rewind
Tired of playing with these lies, you left without saying "Good
bye"
And I'm coming back for what's mine

Back one (Back one)
Remember, I don't really know if I could trust nobody (Nobody)
I'm sorry (I'm sorry)
You know, I've been dealing with these problems (You know)

'Cause so much time has past now
I can't get it back now
I don't wanna feel because my feelings get too real
And that's the problem that I deal with
Too much emotions, I'm feeling hopeless
But at least I'm honest
'Cause so much time has past now
I can't get it back now
I don't wanna feel because my feelings get too real
And that's the problem that I deal with
Too much emotions, I'm feeling hopeless
But at least I'm honest
