Uh-uh
Yeah, yeah, yeah
Woah, uh

I live a rockstar lifestyle, always gettin' wasted, yeah
Baddie in my mansion, askin' how she wanna play
Lay it proper like a track, I'm countin' California faces (Yeah
)
Lookin' back it's crazy now, damn I really made it
You doin' too much, shut up, bitch you talkin' crazy (You talki
n' crazy)
Took a yellow pill, now I be feelin' lazy
Bend it back and throw that ass, workin' that's amazin'
We ain't watchin' Netflix but we shootin' shit like Shameless (
Yeah)

She gon' throw it back, I'ma catch it
I'ma hit it while I'm countin' racks
[?] some sheets, don't go under, I ain't used to that
No I can't lie, girl, I'm lovin' how you thow it back
I might throw a couple racks, yeah, yeah
Gotta keep it classified, don't do kiss and tell (Tell)
I can never cuff a bitch, it feel like I'm jail (Jail)
Baby can you tell me, did it hurt when you fell? (Fell)
(Fell, fell, fell, fell, fell, fell)

I live a rockstar lifestyle, always gettin' wasted, yeah
Baddie in my mansion, askin' how she wanna play
Lay it proper like a track, I'm countin' California faces (Yeah
)
Lookin' back it's crazy now, damn I really made it
You doin' too much, shut up, bitch you talkin' crazy (You talki
n' crazy)
Took a yellow pill, now I be feelin' lazy
Bend it back and throw that ass, workin' that's amazin'
