

I've been by myself, I think I'm better without you (Oh-oh, oh-oh-oh)
I can't find myself and I don't think that I want to (Oh-oh, oh-oh-oh)
You've hurt me so many times, how can I forgive you (Oh-oh, oh-oh-oh)
I'm so sick of these games that we play in your bedroom (Oh-oh, oh-oh-oh)

You only care about yourself (Oh, oh)
Where were you when I needed help? (Oh, oh)
You only care about yourself, care about yourself
Only care about yourself (Oh, oh, oh, oh)
You only care about yourself (Oh, oh, oh, oh)
Where were you when I needed help? (Oh, oh, oh, oh)
You only care about yourself, care about yourself
Only care about yourself

You only care about yourself
Where were you when I needed help?
You only care about yourself, care about yourself
Only care about yourself

Love it when you lie, you got me hypnotised
Love it when you cry, wish that you feel inside
I'm riding all alone
Been sipping heavy but I love it when I'm gone, when I'm gone, when I
'm gone, yeah
Love me or let me go
I don't feel comfortable
I'm tired of playing games
I'm gonna lose control
I think I lost my mind
I'm tired of "I don't know"
You're just a waste of time
And I have to let you go

You only care about yourself (Oh, oh)
Where were you when I needed help? (Oh, oh)
You only care about yourself, care about yourself
Only care about yourself (Oh, oh, oh, oh)
You only care about yourself (Oh, oh, oh, oh)
Where were you when I needed help? (Oh, oh, oh, oh)
You only care about yourself, care about yourself
Only care about yourself

You only care about yourself
Where were you when I needed help?
You only care about yourself, care about yourself
Only care about yourself
