Bara suayo
Omonia lawana mama kenirawo e
Bara suayo
Omonia lawana mama kenirawo e
Obbara suayo eke eshu oddara
Omonia lawana mama kenirawo e

We can feel something's wrong
Can we keep going on?
We are actionless
Moving around

No more heart, no more home
And keep walking alone
We are actionless
Moving around

Bara suayo
Omonia lawana mama kenirawo e
Bara suayo
Omonia lawana mama kenirawo e

We can see through the walls
Through the ceiling and the floors
We are actionless
Moving around

No more heart, no more home
And keep walking alone
We are actionless
Moving around
