

Foreign Country

Ibeyi

Yeah, just energies yeah?

That sister thing
That twin thing
It's like a foreign country
It's like a foreign country

Twins are spirits of a higher rank
Here to honour a lineage and convey a message from the Heavens
They share the Mother's womb
Treat them with complete equity as they are duplicate forms of
the same spirit
Ibeyis are the ultimate harmony between two people
Two people

Je vous ai attendues
Vous êtes là
Vous êtes là
Le plus beau des cadeaux de la vie

Don't be Shy, stand off and talk
Don't be afraid, stand off and then talk
Come on, feel that spirit, stand off-
Don't get me carried away, I told you, I told you
Dangerous
Free up the spirits
Free the spirits
