

## No Man Is Big Enough For My Arms

Ibeyi

(No man in the world)

(No man in the world)

The measure of any society is how it treats its women and girls

No man is big enough for my arms

(No man in the world)

(No man in the world)

No man is big enough for my arms

The measure of any society is how it treats its women and girls

We create

The smart, powerful, creative, accomplished young women

We can fight

I'm here because of you

I'm here because girls like you inspire me

(No man in the world)

(No man)

No man is big enough for my arms (No man)

Many of these girls have faced unthinkable obstacles just to attend school

(No man)

No man is big enough for my arms (No man)

The measure of any society is how it treats its women and girls

Won't stand still

Your story is my story

Your story is my story

Won't be shamed

Your story is my story

Your story is my story

(No man)

No man is big enough for my arms (No man)

And I told them they should disregard anyone (No man)

Who demeans or devalues them (No man is big enough for my arms)

And that they should make their voices heard in the world (No man)

No man in the world (No man)

(No man is big enough for my arms) And I told them, I told them that they deserve to be treated

(No man) With dignity and respect

And I, I told them that they should disregard (No man)

Anyone who demeans or devalues them (No man is big enough for my arms)

They should make their voices heard in the world (No man) (Big enough for my arms)

The measure of any society is how it treats its women and girls

(No man in the world)
