

Numb

Ibeyi

Numb
Alone
Numb
I ache for her

You talk to me
I feel you walking by my side
Take my hand
I'll save myself
You talk to me
I feel you walking by my side
Take my hand

Numb
Alone
Numb
I ache for her

You talk to me
I feel you walking by my side
Take my hand
I'll save myself
You talk to me
I feel you walking by my side
Take my hand
