Ibeyi

Numb  
Alone  
Numb  
I ache for her

You talk to me  
I feel you walking by my side  
Take my hand  
I'll save myself  
You talk to me  
I feel you walking by my side  
Take my hand

Numb  
Alone  
Numb  
I ache for her

You talk to me  
I feel you walking by my side  
Take my hand  
I'll save myself  
You talk to me  
I feel you walking by my side  
Take my hand
