

In folded hands we keep forgotten words
In folded hands we keep forgotten words (Inside)
In folded hands we keep forgotten words (So beautiful)
In folded hands we keep forgotten words (inside)

I can recognise you hardly
Beautiful inside but ugly
Beautiful inside, beautiful inside
Beautiful, beautiful, beautiful, beautiful
I can recognise you hardly
Beautiful inside but ugly
Beautiful inside, beautiful inside
Beautiful, beautiful, ugly
I can recognise you hardly
Beautiful inside but ugly
Beautiful inside, beautiful inside
Beautiful, beautiful, beautiful, beautiful
I can recognise you hardly
Beautiful inside but ugly
Beautiful inside, beautiful inside
Beautiful, beautiful, ugly

In folded hands we keep...
It belongs to you - my heart
(Ah)
We keep...
It belongs to you
You are the one, my lover

I can recognise you hardly
Beautiful inside but ugly
Beautiful inside, beautiful inside
Beautiful, beautiful, beautiful, beautiful
I can recognise you hardly
Beautiful inside but ugly
Beautiful inside, beautiful inside
Beautiful, beautiful, ugly
I can recognise you hardly
Beautiful inside but ugly
Beautiful inside, beautiful inside
Beautiful, beautiful, beautiful, beautiful
I can recognise you hardly
Beautiful inside but ugly
Beautiful inside, beautiful inside
Beautiful, beautiful, ugly

In folded hands we keep forgotten words
In folded hands we keep forgotten words (Inside)
In folded hands we keep forgotten words (So beautiful)
In folded hands we keep forgotten words (inside)
In folded hands we keep...
It belongs to you - my heart
(Ah)
We keep...
It belongs to you
You are the one, my lover
