IC3PEAK

I swear
I swear
I swear
I swear

I can drink painful lights from your eyes
I can drink painful lights from your eyes
You voice in my head
Pale and blind, pale and blind
You voice in my head
Pale and blind, pale and blind

Pale and blind, I swear
Pale and blind, I swear
Pale and blind, I swear
Pale and blind, I swear

I swear
I swear
I swear
I swear

I can drink painful lights from your eyes
I can drink painful lights from your eyes
You voice in my head
Pale and blind, pale and blind
You voice in my head
Pale and blind, pale and blind
