

I'll Be Found

IC3PEAK

Give me only sign
Give me all your hope
Give me only faith
Give me all your sense

I am lost, I am lost
I am lost, I am lost
I am lost, I am lost
I am lost, I am lost
I am lost, I am lost
I am lost, I am lost
I am lost, I am lost
I am lost, I am lost
I am lost, I am lost
I am lost, I am lost
I just lose, I-

Give me only sign
Give me all your hope
Give me only faith
Give me all your sense

I am lost, I am lost
I am lost, I am lost
I am lost, I am lost
I am lost, I am lost
I am lost, I am lost
I am lost, I am lost
I am lost, I am lost
I am lost, I am lost
I am lost, I am lost
I am lost

Give me only sign
Give me all your hope
Give me only faith
Give me all your sense
Give me only sign
Give me all your hope
Give me only faith
Give me all your sense

Give me only sign
Give me all your hope
Give me only faith
Give me all your sense
Give me only sign
Give me all your hope
Give me only faith
Give me all your sense

I'll grow up
I'll be found
I am lost
I just lose
I'll grow up
I'll be found
