

Mama, they say I'm a terrorist, what?
I did nothing wrong, but I got on a blacklist
Mama, they say I'm a terrorist, why?
If doomsday is coming – я не попаду в рай
Mama, they say I'm a terrorist, what?
I did nothing wrong, but I got on a blacklist
Mama, they say I'm a terrorist, why?
If doomsday is coming – я не попаду в рай

Вроде бы плохо, а вроде нормально
Больше нет слёз, даже если больно
Будь собой, никого не слушай
Им нужны деньги, мне нужны души
I feel so low, but it seems normal
No more tears, even if you hurt me
Будь собой, никого не слушай
Им нужны деньги, мне нужны души

Is it so wrong, if I want to die, want to die?
Is it so wrong, if I want to cry, want to cry?
Is it so wrong, if I want to die, want to die?
Is it so wrong, if I want to cry, want to cry?

Mama, they say I'm a terrorist, what?
I did nothing wrong, but I got on a blacklist
Mama, they say I'm a terrorist, why?
If doomsday is coming – я не попаду в рай
Mama, they say I'm a terrorist, what?
I did nothing wrong, but I got on a blacklist
Mama, they say I'm a terrorist, why?
If doomsday is coming – я не попаду в рай

Mama, they say I'm a terrorist
Cause my condition so derelict
And no glue needed, I'm the severance
A new war started, hang the activists
It's all war for a man with a vendetta
When he laces up black leather boots (Okay)
Don't peak ya head after when you said, what you said
They got snipers up on the roof (Okay)
Just pack canned food, and stay in for a day (What?)
Get an AK, 'cause it never ever breaks (What?)
Kiss your mom bye and then run, run away (What?)
Run, run away, just run, run away (What?)
Hang me in the gallows in front of em' all
Watch my neck break and when I make the fall
Hang me from the gallows in front of em' all
Look at me dead and say, "Problem is solved" (Yeah, hey)

Is it so wrong, if I want to die, want to die?
Is it so wrong, if I want to cry, want to cry?
Is it so wrong, if I want to die, want to die?
Is it so wrong, if I want to cry, want to cry?
