

# Man Power

Ice Cube

You ever been in jail?  
Me? Jail? No way, no  
Been in a mental hospital?  
What about homosexuality?  
You like men, huh?  
You like to dress up like a woman?  
What the fuck is wrong with this guy?  
He kidding me or what?  
Just answer the questions  
Okay, no  
Okay? Fuck no  
The almighty E-A-Ski track

Man up, stand up, spark the fuckin' band up  
Put your fuckin hands up, put down the cameras  
Rush they ass to the dirt, we about to move the earth  
Megahertz do the work, this a code blue alert  
Homegirl do the twerk, BBL 'bout to burst  
When it burst its the worst  
You was in it face first  
Get your mind out the gutter  
Homie, its about the butter  
Its about the milk and honey, get your mouth off the other  
It's about your baby brother, get him out this motherfucker  
Put him on the right path, teach him how to fight back  
Teach him how to whip some ass  
Teach him how to mega-blast  
Teach him how to get the money, and make the cheddar last

All I wanna know is  
Do you got the man power? (Do you got the man power?)  
Do you got the man power?  
All I wanna know is  
Do you got the man power? (Do you got the man power?)  
Do you got the man power?  
Do you got the man power? (Do you got the man power?)  
All I wanna know is  
Do you got the man power?  
Do you got the man power? (Do you got the man power?)  
All I wanna know is  
Do you got the man power?

Now grab that, cocked it, they say it's toxic  
I canned it, boxed it  
Shipped it to your college  
That is fake knowledge (Artificial knowledge)  
They tryna turn your ass into a hybrid  
They tryna turn my ass into a pirate  
West coast warlord never stay silent  
Tryna stay dignified  
They want you sissy-fied  
Doing the electric slide  
Nigga, that's suicide  
Who riding? I'm your worldwide tour guide  
This ain't glorified  
I leave the motherfuckers horrified  
Hit a bull in the bull's eye

With the 4-5  
Live my life, do or die  
It's not a X chromosome girl, it's a Y  
I got the power to stand like a tower  
They got the nerve to run like some cowards

All I wanna know is  
Do you got the man power? (Do you got the man power?)  
Do you got the man power?  
All I wanna know is  
Do you got the man power? (Do you got the man power?)  
Do you got the man power?  
Do you got the man power? (Do you got the man power?)  
All I wanna know is  
Do you got the man power?  
Do you got the man power? (Do you got the man power?)  
All I wanna know is  
Do you got the man power?  
Do you got the man power?  
Do you got the man power?

How do you like it?  
They tell you all the time what to do, what to think, what to feel  
Do you want to be like a jeep?  
Like all those other people?  
Do you want to work eight, ten fucking hours?  
You own nothing, you got nothing
