

# One for the Money

Ice Cube

They ask me why I'm still in the game  
Is it for the love or for the money?  
And if everybody gettin' paid in love, I'm in it for the love  
But if everybody gettin' paid in money

One for the money  
Two for the money, uh  
Three for the money  
What the fuck is so funny?  
Just 'cause you got the honey, can't get nothin' from me  
Who I look like, the fuckin' Easter Bunny?

Release the Kraken, yup, and I get it crackin'  
Mother fuckers better run when I Enter the Dragon  
When I'm stackin', all y'all fuckin' tails'll be waggin'  
Still khakis and Chucks, bitch, you know the fashion  
Never change even though you look so strange  
I'ma keep it one hunnid, you can keep the change  
Some of y'all in the game for sex and drugs  
But I'm in the game for checks and love, nigga

One for the money  
Two for the money, uh  
Three for the money  
What the fuck is so funny? (Bitch)  
Just 'cause you got the honey, can't get nothin' from me  
Who I look like, the fuckin' Easter Bunny?

You bitches back up, you niggas act up  
And knock down everything that I stack up  
You better clean up before I re-up  
I'm outta site bitch, Scotty beam me up  
Some niggas hypnotized by the ass and the thighs  
But pretty eyes won't get you on the Enterprise  
It's shitty (What?), that God don't like ugly  
It's a pity that I could give a fuck about pretty, bitch

One for the money  
Two for the money, uh  
Three for the money  
What the fuck is so funny?  
Just 'cause you got the honey, can't get nothin' from me  
Who I look like, the fuckin' Easter Bunny?

Baby, baby, I know what you all about  
Tryna get me to pull them dollars out  
Fake hair, fake eyes, shit, I say no more  
Fake titties, fake ass, what I'm payin' for?  
Did it occur, you look like her?  
And after these drinks you all look like a blur (God damn)  
Even Superman lookin' for a bitch tonight  
Understand that pussy like Kryptonite

One for the money  
Two for the money, uh  
Three for the money  
What the fuck is so funny?

Just 'cause you got the honey, can't get nothin' from me  
Who I look like, the fuckin' Easter Bunny?

If ain't about a dollar, I'ma have to holla, get at 'cha  
Go jump in my Impala  
If ain't about a dollar, I'ma have to holla, get at 'cha  
Go jump in my Impala

One for the money  
Two for the money, uh  
Three for the money  
What the fuck is so funny?  
Just 'cause you got the honey, can't get nothin' from me  
Who I look like, the fuckin' Easter Bunny?
