

# So Sensitive

Ice Cube

Yeah, hey, haha (Huh, huh)  
Damn, I didn't know  
Damn, shit  
You niggas so sensitive  
Hmm, damn  
Homie

Fuck your agenda  
You ain't a real one, you's a pretender  
See, this ain't about gender  
This ain't shit but a fender bender  
So why you actin' all tender?  
Actin' like Karen, Sharon or Linda  
Nigga, facts over feelings  
Fuck your feelings, we ain't the villains  
And this ain't a drill, gotta keep it real  
Fuck how you feel  
O'Shea ain't Boulé (Nah)  
O'Shea get the Uzi (Yeah)  
O'Shea off the Jose (Yay-yay)  
With your bitch gettin' cozy  
So stop bein' nosy  
That's life, shit ain't all rosy (Yay-yay)

(Da-da-da-da)  
You niggas so sensitive  
But I got no fucks to give (Not one)  
(Da-da-da-da)  
You niggas so sensitive  
Hmm, what?

They used to call these nigga words  
So what the fuck are trigger words?  
Words like his and hers?  
What's a pronoun and a verb?  
Follow this, then you follow back  
Then you swallow this and swallow that (Swallowed it)  
Then you go have a heart attack  
And don't blame it on the vax  
(Da-da-da-da) I put it on wax  
Some Blacks hate when you talk about facts  
But you can talk about racks  
You can talk about twerkin', but not a nigga workin'  
Everything ain't urban  
Just like this motherfuckin' whip that I'm swervin' (Let me ride)  
So here's what a ho should know  
Don't be so emotional

(Da-da-da-da)  
You niggas so sensitive  
But I got no fucks to give (Not one)  
(Da-da-da-da)  
You niggas so sensitive

Say, man, don't be a pussy all your life  
Be a dick sometimes and get hard (Da-da-da-da)  
You niggas so sensitive

Yeah, huh (Why you so sensitive?)  
Why you actin' like that, man? (Da-da-da-da)  
Actin' all funny (You niggas so sensitive)  
You ain't supposed to be actin' like that, man (Why you so sensitive?)  
(Da-da-da-da) All in your feelings  
You niggas so sensitive
