Or any plots that you got, you best had get rocks

My lil nigga hit tha fuel, and traffic bitches bust you
To get used by the cliq with tha bomb dick like tha fuse
Like noah, take em in two's for 40 dayz and 40 nights
In tha double tree up 40 flights.

Already know u problably worked at tha tity bar

But soakin wet off the power that a nigga hold
All ... that a nigga fold
Bust a load, just as soon as we get u blowed
Get ya purse and ya pager don't forget ya coat
Before ya leave slip ya other girlfriend a note
Tellin her to shake u and bring back a quote

I know this is a gang a bitches by tha silhouette
Niggaz ran through a few and ain't finished yet
'cause when it come to tha hoes and time to get it wet
We only keep tha startin 5 like tha pinatch
They hit us off wit tha tongue fo tha nut licks
And follow through to duck6 and butt licks
Nigga fuck tricks, they in tha back wit they legs up
And I'm gon tell u how I want it whether head or guts
Im spread nuts, set it up, I show you how to wet it up
2 and 3 to 4 how this nigga kept it up,
Up to bat the 3rd time, nigga struck out
Blamed it on tha bitch and told her "get the fuck out"

They look at out music like it's a nasty song, it's nasty!!)
