Ordinary Day

Ice MC

It's an ordinary day, it's an ordinary life
You can change it, you can change it baby
If it's something that you like, don't be scared, don't take a hike
You can make it, you can make it baby
Ooh, ooh

Ordinary like the cream without the strawberry
Kinda like the R&B without the R. Kelly
All mi do is watch the foolishness weh pon telly
Stink up all the yard with high grade you can smell it
Work a night at work a fight me work me nago lego
