

Wurst Vacation

Ice Nine Kills

Eins, zwei, drei, die!
Eins, zwei, drei, die!
Eins, zwei, drei, now die!

Pack your bags, take a seat, soon, you will arrive
Once you're there, start the bid, then kiss your ass goodbye
Gorgeous girls, drinks and drugs, all your fantasies
But beware, say your prayers, nothing's what it seems

Fräulein, I paid to make you mine, you see?
At the right price, you're just a pretty piece of meat

I kill 'em all, paint the walls with their flesh and bones
Say goodbye, now you die, you're not going home
(All aboard, all aboard)
For your Wurst Vacation
A holiday for the prey, fuck humanity
No pain, no gain, no mercy!
(All aboard, all aboard)
For your Wurst Vacation

Eins, zwei, drei, die!

Torch a face, mutilate, slice and dice a heel
Ditch the gag, no white flag, let me hear you squeal!
Grab the drill, grab the axe, the fun has just begun
I'm going old school, a gun is too American!
Grab the drill, grab the axe, the fun has just begun
I'm going old school, a gun is too American!

Fräulein, you fell for the bait and switch
Death is priceless
And that make you my bitch

I kill 'em all, paint the walls with their flesh and bones
Say goodbye, now you die, you're not going home
(All aboard, all aboard)
For your Wurst Vacation
A holiday for the prey, fuck humanity
No pain, no gain, no mercy!
(All aboard, all aboard)
For your Wurst Vacation

Inked in our flesh forever
A day to dismember
Inked in our flesh forever
A day to dismember

Stupid kid, it's not about the money
You don't like our customs?
Then stay in your country...
'Cause on this trip, there are no survivors
And in this club, your life don't mean Scheiße!

On this trip, there are no survivors
And in this club, your life don't mean Scheiße!
On this trip, there are no survivors

And in this club, your life don't mean Scheiße!
