

Your Number's Up

Ice Nine Kills

"Hello." Hello there
"Who's this?" Soon you'll discover
"I'm sorry, sir, but I think you have the wrong number"
In just a minute you'll be dying to hang on the line
Tell me your name, I'll tell you mine
"My name? But why?"
You picked up the phone
When mom and dad left you alone
I wanna know who I'm looking at

A dial tone, a deadly ring
So far away from everything
No silver screens or movie scenes
When your number's up, it's time to scream

"Who's there?"
Don't you know not to ask those questions?
"What will become of me?"
You ought to know it's a sure death sentence
Have you not seen this movie?
Freddy, Michael, Jason Voorhees
Learn from those who came before me
Next question, same category
Such a familiar story

"I'm hanging up the phone"
Wrong answer
"My mom and dad will soon be home
I won't fall victim to the blade I'm not afraid of"

A dial tone, a deadly ring
So far away from everything
No silver screens or movie scenes
When your number's up, it's time to scream

"What do you want?"
I wanna see what your insides look like
"How could you be so evil"
Our film is nearly finished
And for you there is no sequel
Bitch I'll leave your body on the cutting room floor
All bets are off I just buried Drew Barrymore!

When the cops find the phone
"Just let me go!"
The call is still listed as "unknown"
It's the end of the line, and all that's left is

A dial tone, a deadly ring
So far away from everything
No silver screens or movie scenes
When your number's up, it's time to scream

Because the knife in you brings out the life in me
Last seen in a slasher's dream
When your number's up, it's time to scream
It's time to scream

A dial tone, a deadly ring
So far away from everything
No silver screens or movie scenes
When your number's up, it's time to scream
