Shey you know how to bend low
Bring your body over here make I do am like benzo
Shall I do the popping?
Money do the talking
Thousand dollar sneakers on my feet I'm barely walking
I'm capable of switching up your life
From a thot to a boss chick, a hoe to a wife
I'm known for being swaggy, and my music banging your speakers
I'm alexa's sugar daddy

I give them gbedu accidentally
Million dreams mentally
Killy killy vibes idi amin
Tin'ba shadura, ni ko se amin
Anyhow e be mo pe banker mi
