

Ah run check

Soldier go  
Soldier come  
But Barack demeji  
Barack demeji  
Barack demeji

Men I've been down  
I've been heartbroken  
Look into my eyes you see the scar shows  
I remember times it was hard bro  
Make me wanna be rich  
Chapo Pablo  
God flow, my type is A plus  
I'm made from mayor city  
For sure they pay bucks  
Airport and hotel is the routine  
But when there's no booking I get the mood swing  
I'm on the phone arguing with my lady  
She don't understand why the boy's gone crazy  
I wish I could explain but the words all fail me  
I no go lie when she left mehn e pain me  
But moving on  
Keep it Gee for my people though  
You know my peeps in the street need a likkle dough  
And you already know on the beat that I'm really pro  
The way I lay the lines you would think that I was sniffing Coke  
Asalama alaikum  
Alaikum Salam  
Only beefing when we celebrating Ramadam  
Lebanon's Dons on my telephone  
Ain't no cupboard in my skeleton  
Everything happens for a reason, bless  
Life from a different grind prism, bless  
Lot of people locked up in pre (Cre-cre-cre)  
Bed time seven o'clock in the evening, bless  
I must thank God that I'm breathing  
At least I got something I can believe in  
Mehn I had a crazy ass weekend  
I was swimming with sharks right in the deep ends, bless  
Okay, okay  
I'm back with the flow, no joking, joking  
You gat a muscle up 'cause no pain, no gain  
All the boys just wanna jeun soke, soke  
I'm blessed  
Dealing with a likkle bit stress  
Thank God say we no get sweat  
And I talk am with my full chest  
I'm blessed  
Nigga I'm blessed

Soldier go  
Soldier come, say  
Barack demeji  
Barack demeji  
Barack demeji

Soldier come  
Soldier go, say  
Barack demeji  
Barack demeji  
Barack demeji

Everything happens for a reason, bless  
Life from a different grind prism, bless  
Lot of people locked up, bless  
Bed time seven o'clock in the evening, bless  
I've seen a grown man cry  
No tears in the eyes  
Only question is why  
See the scars on the surface but the pain is inside  
It's a blessing to be free mehn Alhamdullilah  
Make money, make friends  
Go to school and buy a Benz  
Drive around the world but lookout for your mens on the ends  
Loyalty over respect man sometimes is the best  
Respect is reciprocal and sometimes they pretend  
Na so mad man dance collect money for domot  
Another one do the same dance dem pursue am comot  
And it's real rough  
Life is such a round of tests  
Ima do me and let my God handle the rest  
Bless

Ah run
