

Holding On

Ice Prince

You're the reason I can't get better
You're the reason I can't get better
You, you
You

I woke up to a high gray
The high way
Make a nigga wanna vibrate
I gotta say RIP Rico's Suave
This R play engli

Cannot change the heartbreak
Nah I woke up to a quick fix
Court dates baby girl
I can't mix this
The magistrate is deep with linguistics

If she judge you
You must be in deep shit
Better watch your back
When you grow up in the streets
Cause' life is not sweet
Bro it's from a concrete

Forget about the pain
I was hiding underneath
When they were looking for some pussy
I was looking for a B
2020 brought a whole new vision

Now I feel like church
With a whole new mission
Looking at the mirror
Got me thinking

And I'm wishing if I didn't
So far I should have a seat on the cushion
Still pushin'
Death be like a neddle sea
Can't fuck with the sauce men
I'm ghetto B

Girls send in the text like hello B
And I'm quick to send a reply like LOV
I'm all E
Goof this rap lyrical back
Fake nigga attack
But real niggas adapt
I'm from J town
Where real niggas relax
With the coolers out here
And nothing realer than that

(You're the reason I can't get better)
Sometimes you get to look back
And tell yourself the truth you know
(You're the reason I can't get better) uh

(You, you) be honest with yourself
(You)

Look I made a living off spittin' these bars
Writing some hooks
Now my name is written in stars
Never indulgin' be as I made it this far
This shit is deeper than the bass
On a reggae guitar

Uh I made a couple mistakes that I regret
But I look inside the mirror
And smile when I reflect
Pray and not detest
Bad energy ex
They try to put us down
But we up never the less

Tell yourself the truth you know
Tell yourself the truth
Be honest with yourself
