

# Magician

Ice Prince

Magician [x3]

So let me do you like a magician  
Your big bum I kick like a Chinese man  
You drop bomb like a Pakistan  
And your body sing song like an artist man  
You make the girls keep malice man  
Me I wan put my pen in your office man  
You too fine and you perfect man  
You the star, I roll up the carpet man

This is from the window to the wall  
Me I tamper easy like mall  
Me I rate higher than R  
She a rude girl so me no fit to dull

The way you stick na you tattoo this  
And if it gonna end I'll part two this  
Nobody be there now ama rap to this  
Ama be your pared\* like the R2Bee  
You too deep like the ocean  
And your body too smooth like a lotion  
Say, I want a piece of that potion  
Baby girl I wanna put my emotion

Girl you hotter than hell fire  
Burning up you raise up me temper  
Go down let me put you some pull order  
Back it up let me zoom like the yamaha

You too fine and you perfect man  
You the star, I roll up the carpet man

Say, you make brain pop champagne  
Girl ama vote for you like campaign  
You not cheap, not plantain  
You make a nigga feel fool like a canteen  
The way you inter me lan  
The way you say ice man you be the man  
If I be the house omo, you be the man  
And when I feel the heat na you be the man

This is from the window to the wall  
Me I tamper easy like mall  
Me I rate higher than R  
Me no fit to dull

So let me do you like a magician  
Your big bum I kick like a Chinese man  
You drop bomb like a Pakistan  
And your body sing song like an artist man

Drop down like a goal shots  
You sing for me girl like a mozart  
Call me, pest me girl like locaust  
You make the young Olu spoke caso  
Me na buy you jeep like lowcastle

Don't get soft ball them bo casu

You too fine and you perfect man  
You the star, I roll up the carpet man

You see me ama drop this  
And ama step into the club with enough chicks  
And ama bone my face like am upset  
And if you try me ama lock you like a concrete  
Yeah, I go deep like a prophet  
And baby girl I can give all the love tips  
And no guy get you higher above this  
Ima take you high high high to my upstairs

Eh say make I do you like a  
magician [x2]

You too fine and you magician  
You the star, I roll up the magician

You make the girls keep magician  
Me I wan put my pen in your magician  
You too fine and you magician  
You the star, I roll up the magician

This is from the window to the wall  
Me I tamper easy like mall  
Me I rate higher than R  
Me no fit to dull

You make the girls keep malice man  
Me I wan put my pen in your office man  
You too fine and you perfect man  
You the star, I roll up the carpet man

You make the girls keep magician  
Me I wan put my pen in your magician  
You too fine and you magician  
You the star, I roll up the magician

You make the girls keep magician  
Me I wan put my pen in your magician  
You too fine and you magician  
You the star, I roll up the magician
