They are no point guards so they're never blocking
Bullets spitting at you and nigga I ain't coughing

See, we're moving on to the next one
Making paper everyday these boys de be vexing
Niggas like chicks make noise when I'm entering
From J-Town to my niggas down in Boston
I'm shutting down the system, no XP
Bad guy I make pot-belly sexy
I'm dope like coke, no pepsi
And see even Malcolm can't X me
Till I'm in the kitchen, I gotta get my apron
I measure these rappers, I always got my tapes on
See I flow so greedy Ima put the apes on
I'm watching these hoes down, something like a page four
Flier than heathrow
Easy like a free throw
Hate me and my finger pop, no whitlow

Treat me like a big bro
Diss me in the booth I consider that a cheap blow

They be ripping on my flow, now I'm here to jack the ripper

You kids better sign a just in, beiber
Even with the Jesus this my flow remains evil
