

Yawa Go Dey

Ice Prince

If I no wake up in the morning (ey)
If I no sleep in the night (yeah)
If I no buy any Ferrari (yeah)
Shawty, u know say yawa go dey (ai)
And no be today I dey rhyme
I started back in 1999 (ey)
If I no hammer make I shy (chai)
Brother, u know say yawa go dey (ah)
Face to face with reality
U know I got to bring the bread for the family
If I don't get to see ma chicks,
she might be mad at me
And if they mad at me,
U know say yawa go dey
And now u see me riding around the city with a bag,
Feeling like a boss, yawa go dey,
I used to be the nigga at the bottom
Now I'm feeling like the nigga at the top, yawa go dey
See nobody really gave an ish bout a broke broke living like me, yawa go dey
(like me), Yawa go dey
And if I pray, know say

See nobody ever realise all the hustle u dey hustle everyday, yawa go dey
A lot of dem a only come around when the going gets good,
But ma nigga, thats when yawa go dey
See no fake gee's around me
Only staking study shine the light, Never power go dey,
