

Told me you like me
You was in trouble the moment you said it
Tell all your friends to pop out
If they want it then they can come get it
Ain't nobody else, I want you to myself
Ain't nobody else, I want you to myself
And we gon' run it up, yeah we gon' run it up
I said we gon' run it up, so yeah, we gon' run it up, run it up
Get into trouble, get into trouble with me love
Get into trouble, get into trouble with me love

Pull up to your crib riding shotty, shawty
Pull up with your bitch, now it's a party
Strawberita wavy baby feeling brazy
Said I'm crazy, you ain't seen shit yet
Pull up to your crib riding shotty, shawty
Pull up with your bitch, now it's a party
Strawberita wavy baby feeling brazy
Said I'm crazy, you ain't seen shit yet

You don't wanna be in love, no
You think it's that easy to walk out the fold
Watch you get greasy, a slippery slope
And you lose every time
You don't wanna be in love, no
You think it's that easy to walk out the fold
Watch you get greasy, a slippery slope
And you lose every time
You don't wanna be in love, no
(Ayy, we still gonna run it up)
You think it's that easy to walk out the fold
('Cause we gon' run it up)
Watch you get greasy, a slippery slope
(I said, we gon' run it up)
And you lose every time
(You know we gon' run it, run it up)
You don't wanna be in love, no
(Get into trouble)
You think it's that easy to walk out the fold
(Get into trouble with me love)
Watch you get greasy, a slippery slope
(Get into trouble)
And you lose every time
(Get into trouble with me love)

Pull up to your crib riding shotty, shawty
Pull up with your bitch, now it's a party
Strawberita wavy baby feeling brazy
Said I'm crazy, you ain't seen shit yet
Pull up to your crib riding shotty, shawty
Pull up with your bitch, now it's a party
Strawberita wavy baby feeling brazy
Said I'm crazy, you ain't seen shit yet
