Total Drench

Iceage

Pop the sea
Empty the sockets
Unload the supplies
And clasp upon stone

Total drench
Total drench
Total drench
Total drench

Sluice in sewers
Merciless drench
Cut off the tongues
Ancient revenge

Total drench
Total drench
Total drench
Total drench

Disguised by dirt
Fire to the fur
Sluice in caves
And clasp upon stone

Total drench
Total drench
Total drench
Total drench
