Shawty said she wanna take the bone  
Bad bitch, she wanna pick the bone  
It's either you go hard or you go home now  
It's either you go hard or you go home

Smokin' on that ivory, ooh  
I must have that inside of me, ooh  
Too much swag on me  
Too much, too much, I have to dab, homie  
Bad bitch, I'm grabbing on her ass, ooh-wee  
Spend my cash just like it was the trash, ooh-wee  
I know I'ma get it right back in one week  
Young nigga ballin' hard just like an athlete  
I caught her in my streets  
Now I got her in my sheets  
Eat that pussy, Reese's Piece  
Can't leave without my piece  
All I ever want is peace  
All I do is count my cheese  
Knock your bitch ass right to sleep  
Don't you think 'bout bugging me

I beat the pussy up on the sofa, bend her over  
Let her know I got the engine of a Rover  
You know I got more luck than a four leaf clover  
Too many bitch niggas in the game, time to move over, I'm taking over  
You don't like it? You can meet the toaster  
I roast you up just like a chicken, then I'll coach you, adios bruh  
I ate her pussy just like I know her  
Tryna show you money just like I hit the lotto, now the bitches follow

Too much, too much swag on me  
Too much, too much, I got to dab homie  
Too much, too much swag on me  
Too much, too much, I got to brag homie
