Money, money equals power

Too much pussy make a nigga get sour
Gotta go and get this dollar, baby mama late an hour
When you see me talk to me like I'm your father or I wouldn't even bother
Problem, problem, nigga, you don't want no problem, I'm a problem solver
When I'm shootin' shots, yeah, you know they comin' straight from the revolver
Got your girl on speed dial, bet you don't want me to call her
Take action, I ain't no talker
Bad bitch, she want me to walk her
I hit the pussy with a rocket launcher
In this life, I earned my honor

I do the most shit, if I pull up you toasted
I do the most shit, if I pull up you toasted
I do the most shit, if I pull up you toasted
I do the most shit, if I pull up you toasted
I do the most shit, if I pull up you toasted
I do the most shit, if I pull up you toasted
I do the most shit, if I pull up you toasted
I do the most, I do the most

I do the most
